Integrating Spirituality into the Counseling Session: Ethical Considerations

Stephanie Alvarez, LAMFT, LPC, NCC

This workshop will provide an advanced understanding of the spiritual nature and needs of both the counselor and the client. The participants will be given various opportunities to self-reflect on their own values, spiritual, religious beliefs, and how those may impact their therapy practice with both clients and their various life systems.

Learning Objectives:

- Understand and be able to work ethically in ACAs spiritual core competencies.
- Self-reflection and awareness of your own personal ethical stance, giving opportunities for growth as a counselor
- How to engage client's, couple's and family's beliefs and values within systems.
- Practical application of learning through role play, demonstrations and the use of case studies.
